## *There's a Small Group for You at Reynolda*

At Reynolda, we recognize that at any given point in time we all are at various stages in our life journey.

You may be a . . .

- student
- married couple
- single parent
- retiree

Or you may be . . .

- exploring Christianity and church life
- a long-time follower of Jesus
- new to Winston-Salem and looking to meet people

You may be interested in . . .

- playing basketball
- learning to hear God's voice
- exploring what the Bible teaches on prayer
- getting support for issues you struggle with

**So when it comes to Small  
Groups, one size does not fit  
all!**

We invite you to read through the variety of Small Groups at Reynolda and find a group that fits your schedule and life. Contact the group leader and give the group a try.

### **Are you new to Reynolda?**

All members are encouraged to be in a small group. We suggest you to get started in Small Group life by participating in Alpha and S.H.A.P.E. during your first year of membership.

## **Answers to Common Questions**

### **What is a Small Group?**

A Small Group is a gathering of people who come together on a regular basis to grow in relationship with God and each other. Small Groups provide a place to belong—a place to “do life” with others and form authentic relationships. At Reynolda, the primary way you will give and receive care and love is through involvement in a Small Group.

### **Who is in a Small Group?**

Each group has at least one leader who helps facilitate the group. The group’s members are people who share a common interest, hobby, purpose, location, or stage of life, along with a desire to grow in their relationship with Jesus.

### **Why would I attend a Small Group?**

Because God created us to be relational, life is better when shared with others. It is in the context of Small Groups that you’ll be able to form the good friendships necessary to grow, change, and mature spiritually.

### **How do I join a Small Group?**

- Sunday and most Wednesday Groups are always open. You may just show up and try them without obligation to permanently join the group.
- Check them out and see which group “fits.”

### **Will there be childcare provided?**

Childcare depends on the group, but ALL GROUPS on Sunday morning and Wednesday evening have childcare provided. For all the other groups, we list if childcare is provided.

## **BALANCE & SWING CONTRA DANCERS**

Introducing a new Reynolda Church fellowship group. We are looking for others who also share a love of contra dancing – or are looking for a new way to have fun.

### **What is Contra Dancing?**

- A form of North American folk dance in which the dancers form two parallel lines that run the length of the hall.
- Under the direction of a caller, dancers progress through a particular sequence for each dance. There is a “walk-thru” before the start of the dance so everyone becomes familiar with the flow.
- It has absolutely no relation to country-western line dancing!
- Our dances are organized by the Fiddle & Bow Country Dancers and are held at smoke-free, alcohol-free environments.
- There is always a live string band for our dancing (or listening) pleasure.
- Newcomers are always welcome, and you do not need to bring a partner. After each dance, everyone is asked to find a new partner.
- Ages of dancers range from teens to retirees.
- Come ready to enjoy a great workout, smile constantly, and share lots of laughter.
- Modern contra dance originated from English and Scottish country dance. Most contra dance music is up-tempo and traditional, often with Celtic, New England, or Appalachian influence.

For additional information, or to receive notices of dances and contra workshops, contact:
