

## "Come Follow Me"

Those were the words so commonly on the lips of Jesus. From the moment He called the first disciple, the Messiah made it clear discipleship is an active, learning process. Jesus is moving. Life in the Spirit is never at a standstill! Jesus issues an invitation for you to grow, to learn, to participate.

That's what **Building U** is all about. We're going somewhere! We're not learning just to know more spiritual stuff. We're learning so we can do more of what Jesus is calling us to do.

We've given prayer and thought to the kinds of courses that can equip you to live the victorious Christian life. **Building U** will help you live a life that is whole, full of purpose, and biblically prepared for the challenges of today's world so that we can build God's Kingdom *together*.

Join us - as we follow Jesus.

## Bible Study: A Course on Becoming a Good Reader of Bible, Studies in the Faithful Interpretation of the Gospels

Room 224

Leaders: Hank Keating and David Morgan

Do you wish you had more confidence in reading and understanding the Word of God in Scripture? Does your Bible study need a boost to be a more exciting adventure? This course may be just for you.

Reading the Bible is important for every believer. The Scripture is utterly infallible and wise beyond our understanding. But, ours is the duty of faithful interpretation of what a passage meant when it was written, and what it can mean for the present. Be blessed by His Word in the Gospels as you learn to "rightly handle the Word of Truth" as Timothy says.

Everyone is welcome to join us in this adventure!

## Enjoy a "Happily Ever After" Marriage (10 weeks)

Room 227

Leaders: Cheryl and Rodney Rickard

"And they lived happily ever after!" We read this in our children's books. We all long for that in our own marriage. "Happily ever after" may be for fairy tales, but it doesn't mean there's no such thing as a happy and fulfilling marriage.

Join other couples as we seek out God's plan for marriage through practical teaching straight from His Word, group discussion, and prayer time. Discover what the Bible says about forgiveness, the power of our words, resolving conflict, understanding each other's role, communicating clearly with compassion, celebrating the gift of love, pursuing peace, and walking together in oneness.

Don't miss this opportunity to grow in your relationship with the Lord and each other. God has a plan for your marriage, so that one day you can look back and know that you did it His way – with no regrets – and live happily ever after!

All couples are welcome. You may need help for a struggling marriage or the strengthening of a sturdy one. Join us for this ten week session to be encouraged in this deep and important relationship.

Cheryl and Rodney are tried and true leaders, and have already blessed many marriages in our Reynolda Family. You'll enjoy getting to know them!

## "The American Heritage," series by historian David Barton. (Continued from last term)

Room 221

Leaders: Virgil Nestorick and Charles Redden

Recommended by Focus on the Family, this series presents America's forgotten history and heroes with an emphasis on our moral, religious, and constitutional heritage. Nothing could be more timely than this study.

As Christians, we need to be aware of our responsibility to influence our culture for good and for God.

**IF** you are interested in learning how Christians can impact their culture with grace and courage, you can learn from these people who did just that 200 years ago right here in our own country...

**IF** you are a history buff, or someone who believes we can learn a lot from the experiences of others...

**IF** you think much has been left out in the history courses you took in high school or college...and would like to learn about the spiritual and/or religious dimension of American History...

**THIS COURSE may be for YOU!**

There will be time for response and discussion in addition to the teaching by Dr. Barton. Virgil and Charles are leaders who love our Lord and our country. You'll enjoy getting to know them.

All ages are welcome!

Let your roots grow down into Christ and draw up nourishment from Him. See that you go on growing in the Lord, and become strong and vigorous in the truth.

Colossians 2:7 (LB)
